

International Freight Forwarding Reliability. Efficiency. Support

Global trade demands flexibility. You need confidence that your shipments are compliant with customs regulations no matter where they're going. If speed is your top priority, you need a service that gets it there when you need it. You need options. FedEx Trade Networks provides them.

Our service covers North America, Asia, Europe, the Middle East, Africa and Latin America, connecting you to major global markets with the ease of doing business locally.

International Freight Forwarding Ocean Choices

In your line of work, flexibility and dependability are crucial to success. Your supply chain needs ocean shipping solutions tailored to simplify your global trade. Our ocean freight forwarding services can be customized for your product, schedule, and pickup and delivery options. FedEx Trade Networks offers proven solutions to help navigate the intricacies of international trade.
